

PCT

Mouser

mice stations

Australian designed & manufactured

NOW THERE IS A REAL ALTERNATIVE

- ♦ Low-profile design for ease of placement. Multiple placement options.
- ♦ Large-volume bait chamber with capacity for two 15g rodent blocks.
- ♦ Ramped entrance into bait chamber helps prevent any water from entering and contaminating bait.
- ♦ Heavy-duty construction using UV-resistant thick-walled plastic; designed to withstand being stepped on without damage.
- ♦ Tamper-resistant locking device with single-twist plastic key opening.
- ♦ Economic, quality, Australian-made products.
- ♦ Supplied as a carton of 6 stations.
- ♦ We recommend the use of **PCT First Formula** or **PCT Pro Formula** wax-based blocks with these stations.

♦ PCT Mouser station uses the same key opener as is used with our larger stations.
